#### Stitching HINTS:

1. Begin isolated star "eyelets" leaving a 2" tail from first stitch. After star is completed, bring thread to back and run under completed star stitches to secure.
2. Doll's and Clown's Eyes: Make tiny Backstitches as shown in position.

3. Santa's Eyes: Make a tiny Backstitch for pupil of eye as shown.

### IMPORTANT NOTE...

We have included an alternate verse if you do not want this Santa to be only for the new millennium. You may choose either the "Millennium" Version or the "Christmastime" Version. The first two portions of the chart are identical. The bottom third chart portion includes the different choices for the lettering.
